Prayer: All-knowing God, We gather together with praise and thanksgiving for who You are, and for all that You have done for us. You know us better than we know ourselves- all our thoughts and actions- and yet You love us. No matter where we go or what we do. Your love encircles us- ahead and behind- gently leading and guiding and blessing. We praise You for Your love and Your faithful presence in our lives. May Your Spirit move in our hearts and minds as we worship together- examine our attitudes and actions, lay bare the things we need to confess, challenge us with Your Word, and guide us on to paths that lead to life. For we are Your people, called by Your name.
